Travel 2 Uganda caters for anyone interested in sharing in the beauty of the “Pearl of Africa” including the following groups:

- Child-friendly: For families traveling with small children, we can offer the services of a “nanny” to ensure that you can enjoy romantic dinners and gorilla trekking while knowing that your children are safe and happy.

- Businessmen: For businessmen attending to business in Uganda, we can offer shorter one to two day trips to suit your budget.

- Young adventurers: For young adventurers we can include the exciting white river rafting and bungee jumping to your stay in Uganda.

- 70+: For our older groups, we can combine any strenuous activity such as possible gorilla trekking with more sedate afternoons relaxing at the beautiful lodges.

- Joined groups: As well as private safaris, we can organize “joined groups” if individuals are interested, so as to share some of the costs.

- Honeymoon couples: Uganda has many romantic spots for couples wishing to start the rest of their lives sharing an unforgettable experience.
